SealFlex™

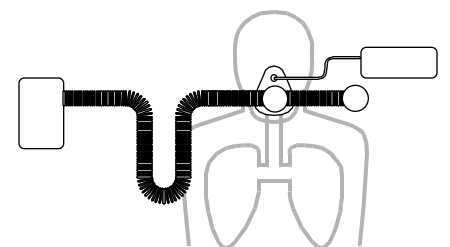

Multi-Strap Mask

Complete line of
ribbed cushion,
"full face" Multi-
Strap masks

Innovation has been paired with excellence to offer another outstanding product in the field of therapeutic CPAP with the SealFlex family of Multi-Strap masks.

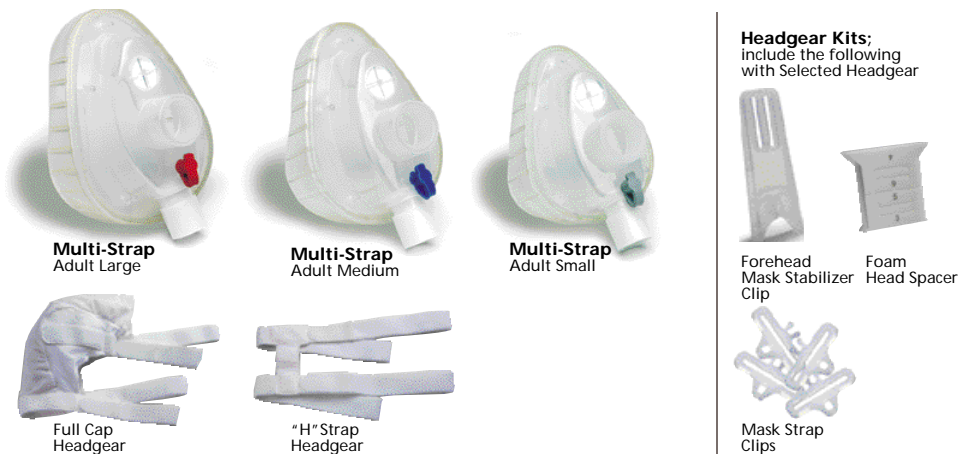

The new, patented SealFlex Multi-Strap full face mask uses the unique ribbed cushion design, combined with a repositioning of the hook rings to the perimeter of the mask, to insure that the least amount of pressure is needed to make an airtight seal.

- Three adult sizes with pressure monitoring port
- Mask can never be deflated
- Anti-asphyxia valve
- One-way inlet valve to eliminate rebreathing
- Complete head strap and head-gear accessory kits available
- 22/30 mm CPAP valve connection
- Ventilator tube is directed away from patients face achieving better compliance

SealFlex™ Multi-Strap Masks

The SealFlex line of Multi-Strap full face masks offers the safest and easiest solution to compliant CPAP therapy.

The SealFlex Multi-Strap full face mask takes a patented ribbed cushion design and combines it with redesigned hooking posts on the perimeter of the mask, allowing for a secure seal with the least amount of pressure being applied to the face and nose of the patient. This high level of patient comfort is essential for successful, ongoing therapy.

- Soft cushion material provides greater patient comfort and tolerance
- Safety features include anti-asphyxia valve and one-way inlet valve to eliminate rebreathing
- Pressure port integrated into face mask to provide source for proximal readings
- SealFlex has been in clinical use for over 10 years
- High dome eliminates nasal trauma
- Anatomically correct ribbed cushion shape allows for a low pressure seal, minimizing air leakage
- **Headgear kits include:**
 - o Selected Headgear
 - o Forehead foam spacer
 - o Forehead mask stabilizer clip
 - o Four reversible bib clips for quick connect or hook and latch headgear setup

Mask Product Specifications

Connectors: Outlet ISO (22mm F) and (30mm M)
Inlet ISO (22mm M)

Materials: Cushion TPE

Mask Product Descriptions

Part No.:	Type:	Size:	Qty/Box:
4-005520-00	Double Port (Extended Use)	Adult-Large	10
4-005521-00	Double Port (Extended Use)	Adult-Medium	10
4-005522-00	Double Port (Extended Use)	Adult-Small	10

Head Straps

8-209102-00	Head Strap-"H"-Dry Natural Rubber	10
8-209103-00	Head Strap-"H"-Latex Free	10
